

## DOCTOR WHO

### **50 Years of Season 10**

Season 10 premiered on December 30, 1972 with “The Three Doctors.” Let’s discuss this serial and the other four serials that aired fifty years ago.

### **40th Anniversary of *The Five Doctors***

*The Five Doctors* aired in the US on the program’s 20th Anniversary, November 23, 1983, and two days later in Great Britain during BBC’s Children in Need charity night. Let’s discuss our favorite moments!

### **60 Years of Daleks**

The Daleks first appeared in 1963 in the second serial titled appropriately - “The Daleks.” There is no doubt that the Daleks are the most recognized villains from *Doctor Who*. Let’s discuss the evolution of this villain that fans love to hate.

### **The Thirteenth Doctor - A Retrospective**

Jodi Whittaker made her final appearance in *Doctor Who* in “The Power of the Doctor” last October as a part of BBC’s Centenary. What did we think of Jodi’s overall performance as The Doctor?

### **Doctor Who Podcasts**

There are innumerable podcasts about the *Doctor Who* universe, some of them even based here locally. Come find out what some of our favorites are!

### **50 Years of *Doctor Who* Target Novelisations**

Ten years after *Doctor Who* premiered, various popular episodes were turned into written stories published by Target Books. Join our discussion to discuss your favorites, or find out where to start reading!

### **Book vs. Episode: Rose**

The Target novelisations returned in 2018 after a 24 year hiatus. One of the story’s released was “Rose.” Let’s compare the Target novelisation to the New *Who* premiere episode!

### **History of *Doctor Who Magazine***

*Doctor Who Magazine* is the longest running television based magazine. Join our panelists to find out the importance of the magazine, and how you can get a subscription!

### **Doctor Who Comics**

*Doctor Who* comic stories have been around for almost as long as the television show. With such a long history, where is the best place to start reading?

### **Doctor Who Lego Sets**

Lego has embraced fandoms over the last couple of decades. The first *Doctor Who* set was released in 2015. What have been our favorite sets to build?

### **Doctor Who T-shirts**

Join us for a special edition of Who & Tell! Bring in your *Doctor Who* t-shirt collections (we know you all have one) and share the old, the new, and the obscure!

### **Easter Eggs in New Who**

*Doctor Who* writers and show runners are great fans of the series as a whole. In many New Who episodes you will find Easter eggs of Classic *Who*. How many can you think of?

### **Guest Stars in Doctor Who**

*Doctor Who* has had many guest stars throughout the years. Some have been easier to pick out, like Carey Mulligan and Olivia Coleman. Let's have a look at the other big name guest stars in *Doctor Who*.

### **Non-Enumerated Doctors**

*Doctor Who* has a recent history of adding Doctors that are not part of a full televised series. Let's discuss all of the other versions of the Doctor!

### **Dueting Doctor Who Actors**

Billie Piper was a pop artist before becoming a companion, and Bernard Cribbons began his career with the release of novelty albums. What other *Doctor Who* actors can carry a tune?

### **Doctors Outside of Doctor Who**

*Doctor Who* was a jumping point for many of the actors that have played the Doctor. What other tv and movies do we relate to the various Doctors?

### **Descendants of the Doctors**

Sometimes the acting gene is passed down through generations. Let's have a look at the offspring and other relatives of the actors that have played the Doctor.

### **Bernard Cribbons Memorial**

Bernard Cribbons is a *Doctor Who* actor beloved by both Classic and New Who fans. Let's celebrate his acting (and singing!) legacy bookended by *Doctor Who*.

### **Popular Characters Originally Written for One Episode**

*Doctor Who* has had a history of pulling recurring actors/characters from previous episodes. Sometimes the actor returns as a different character, and sometimes the character returns as themselves.

### **Introducing New Who Fans to Classic Who**

Have you ever had a friend or family member say that they tried to watch *Doctor Who*, but couldn't make it through the original episodes from 1963? Well we have some recommendations on how to hook them into our shared fandom!

### **Does the Doctor Have a Favorite Historical Era?**

Elizabethan England? Victorian England? We know the Doctor loves Great Britain. But do they return to one era more than others?

### **Spoilers! River Song's Journal vs the Doctor's Timeline**

We learn very early that the Doctor and River Song meet in almost reverse order. Let's dig deeper into the Doctor/River timeline.

### **Watching *Doctor Who* in Chronological Order**

Many of us have watched the show in order of release. Is there a better way to watch *Doctor Who*? Is it possible to watch in order of the Doctor's chronological timeline?

### **Telesnap Reconstructions**

The BBC has used various means of reconstructing missing episodes from the 1960s, with one of them being telesnap reconstructions. Join us to find out the history of these reconstructions and the reconstructed episodes that we expect to be released in the future.

### ***Doctor Who* on VHS**

Many classic *Who* episodes were released between 1990 and 2003 on VHS, including the never aired episode of "Shada." Is it worth unearthing your old VHS machine to watch any of these releases?

### **One-Off Episode Writers**

Some of the best *Doctor Who* episodes were written by those who have never written for the show before.

### **What are the Doctors up to Now?**

Well, not the Doctors exactly, but the actors! What roles have we seen them in recently?

### **Lost and Found Episodes**

If you have tried watching classic *Who* in order, you will know that not all the episodes are available. Find out what happened to these episodes and how some of them have been resurrected.

### ***Doctor Who* Media Cover Art**

The new classic *Who*-Rays have a theme to their cover art. Let us review how the cover art has changed from VHS to DVD to Blu-Ray.

### ***Doctor Who* Costume Designers**

Whovians love cosplaying various Doctors and companions. Here is a look into the history of costuming in *Doctor Who*, along with some of the costume designers responsible.

### **Award Winners in *Doctor Who***

A look at the actors and behind the scenes creators that have won various Oscars, Emmys, BAFTAs, etc.

### **Mental Health Portrayed in *Doctor Who***

*Doctor Who* producers have never shied away from mental health topics. Here we will look at stories that have addressed various mental health topics.

### **Pop Music in *Doctor Who***

Popular Music has never been prominent in *Doctor Who*, but can be found in episodes throughout the decades. How many can you remember?

### **Sports in *Doctor Who***

Matt Smith was able to use his football skills in “The Lodger.” Where else are sports portrayed in *Doctor Who*?

### **Double Roles in *Doctor Who***

Not only have some actors played multiple roles in the new series (Peter Capaldi first played Lobus Caecilius in “The Fires of Pompeii” before becoming the Doctor), but some have played parts in both classic and new *Who*.

### **Spies in *Doctor Who***

Last year the Doctor visited MI-6 in the two-part episode of “Spyfall”. What other episodes feature spies in *Doctor Who*?

### **2B or not 2B**

When Jo Martin’s Doctor was introduced in “Fugitive of the Judoon” some thought that she could be what fans refer to as Doctor 2B. Since the regeneration from Patrick Troughton to Jon Pertwee was never shown on film, some fans believe that it is possible that there was a version of the Doctor between the two. This theory has now been disproven, but let’s discuss the other possibilities of Doctor 2B.

### **Villain Tech in *Doctor Who***

From weapons such as the Master’s shrink ray to full on robots like the Cleaners in “Paradise Towers”, here is a look at all of the villain tech in *Doctor Who*.

### ***Doctor WHO*rror**

Historically one of the hottest panels at CONsole Room, this panel goes deep into the horrifying scenes of *Doctor Who*, and beyond. Bring your favorite beverage and join in the discussion.

### **Genetics of *Doctor Who***

Could a gene mutation allow humans to regenerate like Time Lords? Could the genes of fictional alien species allow them to have a better chance of survival than humans? Join our panelists in this fun science discussion around everything genetics!

### **Planets in *Doctor Who***

NASA confirms '*Doctor Who*-type world, Gallifrey'. Can the Moon be killed? Are the Ice Warriors really from Mars? Where else other than Venus could Venusian Aikido have come from?

### **To CGI or Not to CGI?**

"Improving" Classic *Who* stories with new CGI/updated effects is not a new concept, but it is getting more attention with the Blu-ray releases. What do you think of this practice? Is it a nice-to-have extra? A must-have to get Modern *Who*-only fans on board? Or is it unforgivable to even think of replacing our favorite wobbly sets with new-fangled effects?

### **Truth or Consequences**

The Doctor is known as a rogue Time Lord. Sometimes he is held accountable for his actions (i.e. "Trial of a Time Lord"). How soon do we expect to see the Doctor face a trial again?

### **Real World Applications of *Doctor Who***

Life imitates art. We can't hitch a ride in a TARDIS (yet), but what other concepts can we take away from the show?

### **Doctor...WHO?**

If any companion, past or present, could be the next Doctor, who should it be? Is it Ace, or Jamie, or Yaz or Sarah Jane, or...? Let's open the casting call and see who gets the part.

### **What If?**

Let us explore the What Ifs of the *Doctor Who* universe. What if 9 had to face the Weeping Angels? What if Sarah Jane never aged? What if Tom Baker didn't regenerate? The possibilities are endless!

### ***Doctor Who* Audios**

This panel will go beyond the realm of Big Finish audios. What audio stories are out there and where can you get them?

### **Sonics 'R Us**

A history of the evolution of the sonic screwdriver.

### **Would You Like a Jelly Baby?**

TV and movies can launch certain foods and candies into pop culture (i.e. Reese's Pieces in E.T.). What foods have appeared throughout the decades in *Doctor Who*?

**BRIT TV**

## **BBC Centenary Specials & Episodes**

No other broadcaster in the world has had such a diverse, exciting and long history. The BBC celebrates its centenary in 2022. Join us to discuss all of the specials and episodes that aired last year.

## ***Ghosts*: UK vs US**

As with many great series, *Ghosts* premiered in the UK in 2019 before getting a US version in 2021. Have you watched both versions? Do you have a favorite? Join in on the discussion!

## ***All Creatures Great and Small*: Original vs Reboot**

Peter Davison played Tristan Farnon on the 1978 version of *All Creatures Great and Small*. A reboot was released in 2020. Do we prefer one version over the other?

## **The Rising Popularity of Football in America**

The sport that the rest of the World calls football has been gaining in popularity in recent years due to American shows like *Ted Lasso*. If you have been swept up with the rest of the nation, come hear about other tv, movies, etc that you might enjoy.

## ***The Chronicles of Narnia* (BBC miniseries)**

As we celebrate 35 years of this BBC Miniseries, let's talk about what we liked best, how the episodes have held up over the decades and how they compare with the movies.

## ***Horrible Histories***

This British children's live-action historical and musical sketch comedy earned critical success in its initial run. It was rebooted in 2015, and has also been spun into a game show. Let's talk about the enduring quality of this show and where we hope to see it go in the future.

## **35 Years of *Red Dwarf***

The BBC has a knack for creating shows that last, and *Red Dwarf* is an example of one such show. On the air since 1988, this show continues to entertain. What makes this show so timeless and will it one day rival *Doctor Who* for its longevity?

## ***Keeping up Appearances***

This British sitcom from the 90s is a favorite among Anglophiles. Let's reminisce!

## ***Queer as Folk***

Before the Showtime recreation, Russell T. Davies created and wrote the original 1999 British television show *Queer as Folk*. Does the reboot do the original justice, or should Hollywood just leave the classics alone?

## ***Are You Being Served?***

It's been 50 years since we first walked into London's Grace Brothers Department store. Which other shows have been influenced by this classic in the years since it first aired? How did they push the boundaries of language and content that could be aired on TV in the 70s?

### ***Out of the Unknown***

*Out of the Unknown* was a British Sci-Fi anthology drama series that aired from 1965-1971. Join our panelists to learn more about this series and how you can watch the show now.

### **British Recreations of American TV Shows**

The list of American TV shows that have been reproduced in Britain is a lot shorter than the reverse. Our panelists will review some of their favorites!

### **British Invasion**

Sometimes we are surprised to learn that some actors playing Americans are from across the pond. Let us discuss our favorite lesser-known British actors that appear in American film and tv.

### **Phoebe Waller-Bridge Fan Panel**

This actor, writer, and producer has become a force of nature in the awards circuit. Here we will review her accomplishments and upcoming projects that she is working on.

### **David Tennant Fan Panel**

We all know David Tennant is one of the most beloved Doctors, but let's discuss some of his other great roles!

### **Gerry Anderson Fan Panel**

This groundbreaking producer, director, writer, voice actor remains famous for his futuristic productions. From his most successful show, *The Thunderbirds*, to his productions featuring supermarionation (marionettes with electric moving parts), what's your favorite?

### **Britbox or Acorn?**

Britbox or Acorn? With so many streaming services it's hard to know which to get. Come and hear the pros and cons of these services and share your own experience.

### **Time Travel Contraptions**

A police box, a DeLorean, and a hot tub. What else could these have in common besides being transports for time travel? Here is a look at all of the various contraptions used for time travel in TV, movies, and books.

## **OTHER TV/MOVIES**

### **2022 Movies in Review**

As COVID eases up, we've gotten back to the theater! Let's review the movies from last year.

### ***Hocus Pocus 2***

The original has been a classic for many fans of Halloween for decades. A sequel was released last September. How was it? Did we need a sequel?

### **40th Anniversary of *Return of the Jedi***

How can it be 40 years since the last of the original trilogy aired? Does it still hold up? Do you like the original edit or the director's cut that was released in 1997 better?

### **Disney's Live Action Remakes**

With two more live action remakes set to release this year, let's review how well Disney has done. With twenty already released, we'll have lots to talk about.

### **Lego Cinematic Universe**

The Lego Cinematic Universe started in 2014 and is already planned through 2024. It is more layered than you thought. What have been some of our favorites and what upcoming releases are we excited for?

### ***The Sandman***

After more than a decade, Neil Gaiman was finally able to get this popular comic book series to the screen. Come discuss how it compares to the comics, and your favorite episodes.

### **Running Up That Hill**

*Stranger Things* season 4 had action-packed memorable scenes reminiscent of season 1. What season has been your favorite? What are you looking forward to when season 5 is finally released?

### ***Our Flag Means Death***

Season 1 garnered much praise for its comedy and LGBTQIA representation. With season 2 set to air this year, where do we hope the show will take us?

### ***What We Do In the Shadows***

This mockumentary comedy series has been running for four seasons to critical acclaim. It was renewed for two more seasons. What makes this such a fan favorite?

### ***Krapopolis***

This new show from Dan Harmon aired in November. What do we think of the first season? Does this stand up to other Dan Harmon shows such as *Community* and *Rick and Morty*?

### ***Rick and Morty***

With *Rick and Morty's* 6th season scheduled to be released this summer, let's talk about the absurdity of the series. We'll delve into the balance between elegant science fiction humor and fart jokes, as well as how the writers embrace this absurdism.

### ***Bob's Burgers***

From a tv show, to a comic book, to a movie, *Bob's Burgers* has been ranked as one of the 60 greatest TV cartoons of all time. What makes this show so iconic and where will it go from here?

### ***Love, Death & Robots***

*Love, Death & Robots* is an adult animated anthology show on Netflix based on the 1981 animated movie *Heavy Metal*. Here is a look at this unique series and what we might expect from the third season.

### ***Miracle Workers***

*Miracle Workers* is an anthology comedy TV series starring Daniel Radcliffe and Steve Buscemi. What did we think of the first three seasons, and what stories do we want to see in future seasons?

### ***The Winchesters: Yay or Nay?***

For 15 years we traveled with the Winchester brothers from coast to coast. Now, we can see where it all began. Are you excited, disappointed? Come and share your thoughts on this new show.

### ***House of the Dragon***

This prequel to *Game of Thrones* was released last fall, and has been renewed for a second season. What do we think of the first season? Did the cast live up to the Targaryens we know and love (or hate)?

### ***The Lord of the Rings: The Rings of Power***

Set 1000s of years before *The Hobbit* and *The Lord of the Rings* movies, this prequel shows us the Second Age of Middle Earth. Did they keep true to the look and feel we know? What are we looking forward to in season 2?

### ***Vikings – TV vs. History***

This History Channel TV show ended in 2020 after a six season run. What did we think of the show and how do we think it compares to real Vikings history?

### ***F\*R\*I\*E\*N\*D\*S***

How you doin'? Ready to reminisce with your friends over this instant classic? Let's talk favorite episodes, guest stars, and moments from the 2021 reunion special. Could we BE more excited?

### ***Manifest***

Season 4 is the final season, how do we hope the show will wrap up? Do we think they are canceling this show too soon?

### ***Buffy the Vampire Slayer Universe***

What started out as a movie created by Joss Whedon has developed into an entire universe, including tv shows, books, comics, games, and podcasts. Join our discussion about everything *Buffy!*

### ***The New Extended Star Wars Universe***

We went without new *Star Wars* content for many years, but lately we have been inundated with shows. From *The Mandalorian* to *Andor*, what do we think of the new Disney+ shows? What other stories do we want to see? Do we think there will be any more feature films?

### **MCU Content Released in the Last Year**

From Moon Knight to Black Panther: Wakanda Forever to She Hulk: Attorney at Law, we had a lot of new MCU last year. Which was your favorite? How is this phase compared to the previous three? What are we looking forward to next year, among the ten new scheduled releases?

### **Saturday Morning Cartoons from our Childhoods**

There was nothing better than watching Saturday morning cartoons as a child. Let's get nostalgic for the good old days.

### **Where to start watching Anime**

Are you interested in Anime but don't know where to start? Our panelists will outline some of their favorites.

### **American Recreations of Anime and Manga**

It has been said that Hollywood can't come up with new ideas. Let's look at the movies and tv shows either directly or loosely based on Anime and Manga.

### **American Recreations of British TV Shows**

It has been said that Hollywood can't come up with new ideas. Let's look at the British television show ideas that have crossed the pond. Which recreations did we like, and which did we prefer the British versions?

### **Missing Episodes in American TV**

We know that the BBC had a dumping policy in the 1970s that was the demise of many *Doctor Who* episodes, but what American shows are missing episodes?

### **Classic TV Shows That Don't Hold Up**

These days shows from our past are so much easier to rewatch. However, sometimes shows that we liked in the past have not aged well. What shows do you think do not deserve a second watch?

### **David Bowie Titles in TV/Movies**

There are a surprising number of movies and television shows that have titles of David Bowie songs. How many can you think of?

### **Remakes & Reimaginings**

Has Hollywood run out of ideas? Does it seem like everything they are creating is a remake of an old movie? Do we like the remakes or do we wish they would leave the classics alone?

### **Continuity Wars**

Many movies and tv shows have been adapted from novels, short stories, and graphic novels. Let us discuss those that we think were done well, and those that missed the mark.

### **Streaming Service Mergers**

There have been several announcements of streaming services merging (like Paramount/Showtime and HBO Max/Disney+). How will this affect the content on these services? Will it get better or worse?

### **Free Streaming Services**

So many streaming services, so little time. How do you choose? Are there any free streaming services that you have used and would recommend?

### **Superhero Fatigue**

Are there too many superheroes these days? Do you feel fatigue as more movies and shows are released? How do you decide what to watch?

### **Children Protagonists**

There are many shows, movies, and books that feature children or young adults as protagonists. Not a new concept, from *Nancy Drew* to *Chilling Adventures of Sabrina*, why does this concept work?

### **Felicia Day Fan Panel**

Felicia Day is everyone's favorite geek. She has been in so many great sci-fi shows, and on top of that she is an accomplished writer and producer. Here is a look at her extensive (and geeky) career!

### **MC Who**

How many *Doctor Who*/Marvel Cinematic Universe crossover actors can you think of?

### **DC vs. Marvel Comics**

In 1996 DC Comics and Marvel Comics released four crossover issues pitting superheroes against each other. If this were to be recreated, who would we want to win?

### **Slash Fiction**

With fan fiction a story can be whatever you want it to be. Let's discuss our favorites.

### **Shazam! and My Hero Academia Crossover Fanfiction**

Fans love writing crossover fiction, and a popular combo is Shazam! and My Hero Academia.

### **Canceling the Artist, And Not the Art**

Cancel Culture has been gaining in popularity over the last decade. Is it justifiably holding artists accountable, or is it unfair punishment? Is there a way of separating the works of art from the author, actor, director, musician, etc?

## WHO IT YOURSELF

### **Teaching with *Doctor Who***

*Doctor Who* started out as an educational program for children. Can the show still be used to teach students?

### ***Doctor Who* Video Games**

Over its lengthy history, there have only ever been 14 *Doctor Who* video games released. Let's look at how they all rank.

### ***Doctor Who* RPG Games**

Want to learn more about *Doctor Who* Roleplaying games? Are you a veteran player and want to share tips? All are welcome to come and chat about the world of RPG.

### ***Doctor Who* Magic: The Gathering**

Magic: The Gathering will cross with *Doctor Who* this year! The game is set to span all 60 years including the new 14th Doctor (Ncuti Gatwa). Are you excited to play?!

### **Whoniverse on Etsy**

Are you looking for that unique fandom find, a gift or something for yourself. Well Etsy has it all. Come get tips on how to find these incredible items to add to your collection.

### **Who & Tell**

Whovians are a crafty bunch. Do you have a project you started during lockdown that you now finally finished and want to share with the fandom? Well, bring it on by and tell us all about it!

### **Dressing the Doctor**

This is a *Doctor Who* convention. What do we like more than cosplaying the Doctor? Share your Doctor cosplays here!

### **Unmasking *Doctor Who* Monsters**

Do you have a cosplay in mind but do not know how to create the mask? Join our expert panelists to learn how to create the face of The Silence, Silurians, and more.

### **Collecting Enamel Pins**

Enamel pins have been a collectors item for centuries, and there is a long history of *Doctor Who* pins. Come find out some of our favorite and most sought after enamel pins.

### **Crafting *Who***

The creativity of the *Doctor Who* fandom never ceases to impress. Have you made something you want to show off? Do you have an idea and need help on how to execute? Let's talk crafts!

### **Sewing 101**

Curious about creating your own costumes, but don't know how to sew? Join our sewing 101 class to learn the basics!

### **How Do You Do Your 'Do?**

Cosplay is more than just costumes. Here we will discuss wigs and hairstyling.

### **Prosthetics**

Creating and applying prosthetics for your cosplay costume.

### **Prop Shop**

Some cosplay costumes require props. Our panelists will discuss the materials and techniques that are best for forming various props.

### **How to Speak with a British Accent**

Learn some tricks and techniques to speak with a British accent!

### **3D Printing**

3D printers will get more affordable the longer the technology is around. Learn how to work with one and let your imagination soar with what you can create!

### **How to Cosplay**

Are you new to cosplay and don't know where to start? Have you been cosplaying for years and want to shake things up with some new ideas? Come hear some tips and tricks from veteran cosplayers and share some of your own as well.

### **Geek Health**

Health is so important and can be hard to maintain. How can we stay healthy? Does the geek community have any resources to help us stay healthy (like the Whovian Running Club or YogaQuest)?

### **Teaching through Role Playing**

Games such as Dungeons and Dragons have taught kids to use their imagination. Teachers and parents can use role playing games like this to help kids exercise and grow their imaginations.

### **Raising the Next Generation of Geeks**

One of the best parts of having children is getting to share the joys that you experienced in your childhood - from movies to television to gaming. What are our favorite fandoms to share with our children, and at what age is it appropriate to start sharing these various fandoms?

### **Naming the Geek Way**

Fun ways to discover, research, and choose the coolest names for your kids, pets, cars, sourdough starters, RPG characters, and more!

### **Building with Lego**

Lego is always releasing new sets for whatever fandom is your favorite. What is the best, most impressive one you have done? Come get some tips and tricks on building with Lego!

### **Funko Pop Culture**

If you have been to a convention before, you have seen a Funko Pop figurine. Funko started producing these in 2010, and has since manufactured more than 8,000 figurines. Here we will discuss the history, the fandoms, and the hard to find.

### **Fandom Cookbooks**

So much to cook and so little time. How do you choose the right fandom cookbook? Which are the most screen accurate and which are gimmicks? Do you have a favorite recipe or book you'd recommend?

### **Gardening & Harvesting Your Own Tea**

While you are unlikely to be able to grow traditional tea plants in Minnesota, you can grow many plants that are used in teas such as mint, lemon balm, rose hips, etc. Come learn the tricks of making your own tea.

### **Geeky Themed Tea Companies**

From Tea & Absinthe to Geek+Tea, there are so many fandom teas to choose from these days. Which are the best? Where can you get them? Come and get the full 'scoop' of tea.

### **History of CONsole Room/Shared Stories of CONsole Room**

For 10 years we have been bringing the Twin Cities *Doctor Who* fandom together for a weekend of fun, friends (old and new) and lots of *Doctor Who*. Come and hear or share stories from our previous conventions.

### **How to be a Panelist**

Do you love talking about *Doctor Who*? We at CONsole Room invite anyone interested to join our team of panelists. If you have never been a panelist before, stop by and ask your questions.

### **We Need You!**

CONsole Room is a non-profit organization run entirely by volunteers – this could not happen without you! Join us to learn about volunteer opportunities from one hour to year-round ConCom.

### **What Did We Miss This Year?**

CONsole Room is a convention run by fans, for the fans. We work hard to bring you the best programming every year. Is there something we missed? Let us know what you would like to see next year!

### **How to GISH**

Many fans of *Supernatural* have heard of GISH, The Greatest International Scavenger Hunt the World Has Ever Seen. Interested in joining? Visit with our experienced panelists to find out what the fun is about!

## SCIENCE

### Space Tourism

Space tourism used to be a case of science fiction, but now it is science fact. Let's look at the history of space tourism, and where we see it going in the next ten to twenty years.

### WonderWorks Theme Parks

Wonderworks is a chain of science focused indoor theme parks with six locations. Children and adults alike can enjoy over 100 exciting hands-on exhibits.

### Futuristic Tech in Sci-Fi

At one point, the idea of having a portable computer the size of your hand was only a work of fiction. Now, almost every adult on the planet owns a mobile phone. What technology found in science fiction stories will we see within the next decade, and what other technology would we love to own?

### Mars Habitat Project

In the Fall of 2022, NASA started its series of missions, called CHAPEA, that will simulate year-long stays on Mars. These missions will give important insight and knowledge into future NASA missions to Mars.

### James Webb Space Telescope

The James Webb Space Telescope (JWST) is opening up new avenues of discovery, but how did we move from ground-based observatories to Hubble to JWST. And what will the next generation of space telescopes be like?

**Moderator/Sole Panelist: Michael Zecca**

## INTERACTIVE/EVENTS

### Real or Fake

Game Time! Panelists who have not watched any episodes of classic *Who* will be given an episode plot. The panelists will have to determine if the plot is from an actual episode, or if it is made up.

### Family Feud

Game Time! Groups of attendees will face off in our own CONsole Room version of *Family Feud*.

\*Have attendees fill out surveys prior to the convention to get data for the game.

### Would I Lie to You?

Game Time! Groups of attendees will face off in our own CONsole Room version of the British game show *Would I Lie to You?*.

### **Six Degrees of the Doctor**

Great Britain has a limited number of actors. During this game, attendees will be randomly given an actor that they will have to link to one of the actors that have played the Doctor within six degrees. Are you up for the challenge?

### **Role Swaps**

What if Nebula traveled with the Doctor? What if Crowley was a Time Lord? The possibilities are endless when you play this game of swapping characters that *Doctor Who* actors have played.

### **What is the Best Superpower**

Flying, Invisibility, X-ray Vision. If you could choose, what would be your superpower?

### **Dungeons & Dragons - How Do I Start Playing?**

Have you always wanted to learn to play Dungeons & Dragons? Join our panel of experts to learn about creating a character, joining a campaign, and the various online platforms available to players.

### **Knitting the Fourth Doctor's Scarf**

In the 1980s the BBC released a memo detailing the pattern for recreating the Fourth Doctor's iconic twelve foot scarf. Since then, countless fans have either reached out their grandmothers or learned how to knit themselves.

### **Knitting Workshop**

Sit, knit, and be merry! Join a group of like-minded *Doctor Who* knitters as we gather together to work on current projects and chat about our favorite show, while we put yarn to needles. We will have expert help for first time knitters. Perfect for the experienced knitter or beginners who want to learn.
